ARYAN ALFRED GILL-PANCUTT

London, UK | aryan@pancutt.net | aryangillpancutt.com | LinkedIn

EDUCATION

BSc International Relations | London School of Economics and Political Science (2024–2027)
• Relevant study includes international political economy, international security and economic history.
A Levels | St Dominic's Sixth Form College (2022–2024)
• Economics A*, Geography A, Philosophy A and Extended Project Qualification A*.

EXPERIENCE

President and Founder | LSESU Punjabi Society (May 2025–Present)
• Founded and lead a 10-member committee delivering cultural, careers and community programming for LSE students.
• Led marketing and audience acquisition for externally ticketed events generating £30,000+ in gross sales, with ticketing administered by Scope Events.
• Built an events portfolio including a sold-out 300-capacity Thames boat party, Ministry of Sound programming, an eight-society collaboration and the London Universities Lohri Ball.
• Represented LSE's Punjabi community at Parliament through Taraki, engaging in discussions on culturally responsive mental-health provision with founder and CEO Shuranjeet Singh.
Work Experience | Sky (Oct 2025)
• Contributed commercial ideas to Sky Media colleagues on audience targeting, advertising formats and monetisation amid the shift from linear television to digital platforms.
Enrolment Officer | St Dominic's Sixth Form College (Aug–Sep 2025)
• Processed and quality-checked documentation for a 1,400+ student intake, converting signed approvals into accurate digital records on SID and resolving discrepancies under tight deadlines.

INDEPENDENT RESEARCH & DIGITAL PROJECTS

Founder and Independent Research Writer | aryangillpancutt.com (2026–Present)
• Founded an interdisciplinary research and publishing website exploring quantum physics, evolutionary biology, geopolitics and development economics.
• Authored articles on quantum magnetoreception in migratory birds, barriers to cheetah domestication, and evolutionary distinctions between Old and New World primates.
GapLens Development Opportunity Engine | aryangillpancutt.com (2026)
• Developed an interactive country-sector opportunity screening tool incorporating market demand, financing gaps, investor additionality and execution risk.
• Designed a weighted-geometric scoring framework to prevent critical weaknesses from being obscured by strong average indicators.
Singapore Legal System Research | Extended Project Qualification (2023–2024)
• Analysed the transferability of Singaporean legal and policing institutions to the UK, drawing on comparative evidence and archival research with London Library specialists; awarded A*.

CREATIVE INDUSTRIES

Fashion and Creative Projects | Echelon Futures (2026)
• Undertook independent modelling engagements and was invited to Gallery Archive's London Fashion Week programme, gaining exposure to brand presentation and creative direction.
Recording and Digital Campaign | TKANDZ (2026)
• Recorded a track for a UK artist with 40m+ Spotify streams and supported its TikTok marketing campaign.

LEADERSHIP AND ACTIVITIES

Head of Disarmament and International Security | Haileybury Model United Nations (2023–2024)
• Led DISEC committee debate and managed formal diplomatic procedure.
Secretary | LSESU Bhangra Society (2025–Present)
• Support committee administration, event coordination and member communication.
